Jacobson Companies Names Terry Solvedt as new Executive Vice President of TLS Operations

Des Moines, IA – (June 29, 2011) – Jacobson Companies, a leading worldwide third party logistics provider, has recently named Terry Solvedt as its new executive vice president of operations for its transportation and logistics services business unit. Solvedt will be based in Des Moines, IA, Jacobson's corporate headquarters.

In his position, Mr. Solvedt will provide operational and strategic leadership for the over-the-road, regional fleets and dedicated asset business as well as carrier services and the Des Moines-based Freight Management segment.

Scott Temple, president of Jacobson's transportation and logistics services business unit, commented, "Terry is a fantastic addition to our TLS team, and he is going to play a key role in our continued growth and success."

Mr. Solvedt comes to Jacobson with 30 years of experience within asset management and maintenance as well as operations and executive management. In previous positions, he was the senior vice president and general manager of Ruan Transport Corporation from 2004 to 2007 before holding the position of vice president at RoadLink USA from 2008 to 2010. Before coming to Jacobson, Mr. Solvedt was an industry advisor with Landes Trucking.

"I am very pleased to join the Jacobson team," Mr. Solvedt commented. "This company has an outstanding track record of profitable growth and excellent customer service. I appreciate the 'Can Do' attitude of every associate, and I look forward to furthering Jacobson Companies' success."
